

CLEVER RX IS THE FUTURE OF PRESCRIPTION SAVINGS!

Save your patients money on prescription drugs, promote your practice and help your community.

With high deductible health plans, high copays and the underinsured population – over 70% of your patients can save money using our prescription drug savings card.

It works! With discounts up to 80% off prescription drugs, your patients will save real money. Clever RX often beats your patient's insurance coverage as well.

Cheaper drugs mean higher patient compliance. Over 30% of prescriptions are never filled due to high costs. Now, more than ever, your patients need your help.

WHY CLEVER RX IS THE RIGHT PARTNER

- An RX Savings Program doesn't have to be one-sided. With Clever RX, you will benefit from partnering with Clever RX as much as your patients do.
- The only RX Savings plan that promotes your business via your co-branded cards, website, and artificial intelligence based mobile app. As the only RX partner to provide you with reporting, you will know just how much you are saving your patients.
- Help your community. Every time your patients use the Clever RX prescription savings card a donation goes to a charity in your community.

WITH CLEVER RX, YOU GET

- ✓ Branded Card
- ✓ Personal Website
- ✓ Artificial Intelligence Based Mobile App
- ✓ Savings Reporting

WHY YOU SHOULD CARE

70%

Over 70% of your patients benefit from a prescription savings card due to high deductible health plans, high copays and being underinsured.

30%

Over 30% of prescriptions never get filled due to high costs.

13%

High deductible health plans are increasing 13% per year.

Most patients aren't comfortable discussing their financial situations.
